

1445 LED

The 1445's tulip shape and form factor makes for a unique wall luminaire that is ADA compliant and perfect for any upscale commercial or residential application. The contemporary one-piece diffuser is constructed of thick, opal-white glass which is formed with a closed top. Architectural cast aluminum trim is standard in Brushed Nickel with a variety of optional finishes to choose from. Backplate matches the trim. Other models in this series include the 1440, 1442 and 1447.

FINISHES

1445 LED

STANDARD SPECIFICATIONS

TRIM

Tapered die-cast aluminum trim piece attaches directly to the decorative backplate. Trim contains no exposed hardware.

DIFFUSER

Diffuser is constructed of 0.20" thick opal-white glass which is formed with a closed top. Diffuser seats securely into the trim and is held into position with a screw from the top.

REFLECTOR

Formed cold rolled steel design, finished in a powder coat high reflectance white paint.

DECORATIVE BACKPLATE

Formed cold rolled steel rectangular backplate adds scale while serving as a sleek complement to the fixture.

LED PERFORMANCE - 3500K STANDARD

120-277V - 3500K, 82 CRI - L80 rating - 60,000 hrs - L70 rating (projected) - 100,000 hrs Amperage rated @ 110V input
 Operating ambient temperature: -20°C / -4°F - 40°C / 104°F
 Refer to Wattage section for lumen output. Consult Brownlee.com for performance of all CCTs.

MOUNTING

Directly to j-box (by others). Mounting hardware included.

FINISH

The 1445 series is finished in Brushed Nickel as a standard offering. Options include all Brownlee paint finishes.

WARRANTY

5 year limited warranty on this LED product. Consult factory for details.
